BLACKS DECLARE WAR ON WHITES!

WHITES Must Keep GUNS!

GUN CONTROL MUST FAIL!

Millions of black, half-animal Africans have been buying and stealing guns for years. Recently, in every riot they have raided gun stores especially and lugged off all kinds of heavy shotguns, rifles, pistols and ammunition. Hundreds of thousands of black gorillas right this moment are packing .38's and .45's all around YOU in every city in America.

Does anybody believe that these criminal apes are going down to the police station and register their artillery or turn it in to the cops?

But the Whites have been taught to be law-abiding and trust in their police force.

When the Blacks STRIKE with their city warfare, they are heavily armed, while the majority of Whites have been helpless and weaponless.

POLICE OVERWHELMED!

In city after city, the brutal Blacks have overwhelmed the entire Police Department. Whites are at the mercy of the Blacks until the National Guard can get in.

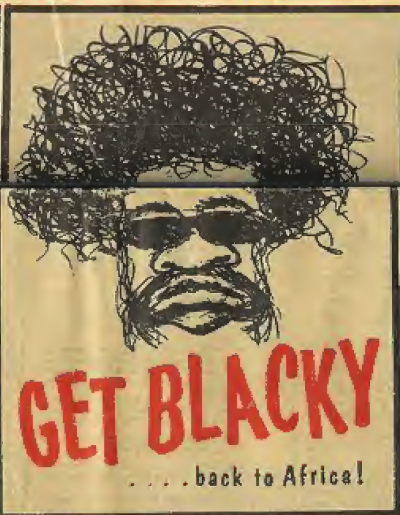

In Detroit, and most of the big riots ahead, even the National Guard won't be enough to protect White home owners from Black attacks.

Nor will a 22 pea-shooter help much against a charging swarm of these hopped-up blood-thirsty African animals.

In Detroit, the murderous Blacks were too much for both the police AND the National Guard.

It took the heavy weapons of the United States Army to stop the spreading of the riot.

The Rats Behind the Riots

George Lincoln Rockwell

With the blood of slain White policemen and firemen still running red in the gutters of Detroit, the chicken, "nigger-loving" politicians were getting ready to prosecute for murder--NOT the savage Black killers who started the burning and murder--BUT THREE WHITE POLICEMEN!

These same rotten, chicken politicians, from George Romney to Lyndon Johnson, were warning us not to allow any "White backlash" to develop at the "poor, innocent Negroes" for attacking 109 American cities with guerrilla warfare, mass bombing, burning, looting and murder.

Sensational Document Exposed!

Sammy Nathan & Brown Order Armed Attack!

The criminal black apes who call each other "niggers" have finally done it!

For years they've been calling themselves "non-violent" even while they've been tearing up whole cities with their "non-violent demonstrations," lay-ins, sit-ins, etc.

But now Stokely Carmichael and Rap Brown have "come right out with it!"

The "Non-Student Violent Communist Committee" has at last published their own version of a "Communist Manifesto" of what they intend to do to us White People.

These enemy Africans have published an arrogant call to the blacks in America to ATTACK the Whites with guns, bombs, fire and terror. "WE WANT BLACK POWER!"

WE HAVE OBTAINED A COPY OF THIS VICIOUS PLAN FOR A BLACK COMMUNIST CAPTURE OF OUR NATION BY GUERRILLA AND TERRORIST ATTACKS!

Inside, we have published the complete text of this amazing and bloody document. Read it for yourself and see if we exaggerate when we say it is time for the White Man to get ARMED and FIGHT!

EXCUSES BY POLITICIANS

The sub-sister "nigger-lovers" and the "love-mongers" who have been making excuses for the "poor, persecuted Negroes" have had it. These sub-sisters have been insisting the "colored brothers" only want their "rights"!

Over

White Cops, Guardsmen Betrayed by Detroit!

The City of Detroit has just announced that it has indicted and will prosecute for MURDER three White Police-Officers.

The politicians and big-shots go sightseeing in the riot zones in the safety and comfort of helicopters and heavily armored cars. They don't have to face the bloody horror and mass confusion on the dark, sniper-infested streets nor feel the terror of a White man surrounded by a howling mob of armed apes.

While Police Departments are turning looters, snipers and arsonists LOOSE, under pressure from chicken politicians, White policemen who were dog-tired and faced by savage Black mobs are now to be crucified as these damnable, cheap politicians can be sure of staying in office with that filthy black vote!

These chicken politicians MUST GO!

BLACK MEN OF AMERICA ARE A CAPTIVE PEOPLE

The black man in America is in a perpetual state of slavery no matter what the white man's propaganda tells us.

The black man in America is exploited and oppressed the same as all black brothers are all over the face of the earth by the same white man. We must be free until we are all free and that never all black oppressed people all over the earth.

We are not alone in this fight, we are a part of the struggle for self-determination of all black men everywhere. We have in America must unite ourselves to be ready to help our brothers elsewhere.

We must first gain BLACK POWER here in America. Living inside the camp of the leaders of the many forces. It is our duty to our Brothers to revolt against the system and create our own system so that we can live as MEN.

We must take over the political and economic systems where we are in the majority in the heart of every major city in this country as well as in the rural areas. We must create our own black culture to erase the lies the white man has led our minds from the day we were born.

THE BLACK MAN IN THE GHETTO WILL LEAD THE BLACK POWER MOVEMENT

The black Brother in the ghetto will lead the Black Power Movement and make the changes that are necessary for its success.

The black man in the ghetto has one big advantage that the bourgeois Negro does not have despite his "superior" education. He is already living outside the value system white society imposes on all black Americans.

He has to look at things from another direction in order to survive. He is ready. He received his training in the streets. In the jails, from the A.S.C. check his mother did not receive in time and the headbeatings he got from the cop on the corner.

Once he makes that first important discovery about the great pride you feel inside as a BLACK MAN and the great heritage of the modern country.

Africa, there is no stopping him from dedicating himself to fight the white man's system.

This is why the Black Power Movement is a true revolutionary movement with the power to change men's minds and unmask the tricks the white man has used to keep black men enslaved in modern society.

THE BOURGEOIS NEGRO CANNOT BE A PART OF THE BLACK POWER MOVEMENT

The bourgeois Negro has been fooled by the white man's propaganda and has lived too long in the half-world between white and black bourgeois society. He cannot think for himself because he is a shell of a man full of contradictions he cannot resolve. He is not to be trusted under any circumstances until he has proved himself to be "cured." There are a minus handful of these "cured" bourgeois Negroes in the Black Power Movement and they are most valuable but they must not be allowed to take control. They are aware intellectually but under stress will react emotionally to the pressures of white society in the same way a white "liberal" will expose an unconscious prejudice that he did not even realize he possessed.

WHAT BROTHER MALCOLM X TAUGHT US ABOUT OURSELVES

Malcolm X was the first black man from the ghetto in America to make a real attempt to get the white man's first off the black man's back. He recognized the true dignity of man without the white society prejudices about status, education and background that we all must purge from our minds.

Even today, in the Black Power Movement, I tell we find Brothers who look down on another Brother because of the conditions that life has imposed upon him. The most beautiful thing that Mal-

colm X taught us is that once a black man discovers for himself a pride in his blackness, he can throw off the shackles of mental slavery and become a MAN in the truest sense of the word. We must move on from the point our Great Black Prince had reached.

WE MUST BECOME LEADERS FOR OURSELVES

We must not get hung-up in the bag of having one great leader who we depend upon to make decisions. This makes the Movement too vulnerable to those forces the white man uses to keep us enslaved, such as the draft, murder, prison or character assassination.

We have to all learn to become leaders for ourselves and remove all white values from our minds. When we see a Brother using a white value through error it is our duty the Movement to point it out to him. We must thank our Brothers who show us our own error. We must discipline ourselves so that if necessary we can leave family and friends at a moment's notice, maybe forever, and know our Brothers have judged themselves to protect his family we have left behind.

As a part of our education, we must travel to other cities and make contacts with the Brothers in all the ghettos in America so that when the time is right we can unite as one under the banner of BLACK POWER.

LEARNING TO THINK BLACK AND REMOVE WHITE THINGS FROM OUR MINDS

We have got to begin to say and understand with complete conviction what Black is. Black is an inner attitude that the white man's language hampers us from expressing. Black is being a complete fanatic, who white society considers insane.

We have to learn that black is so much better than belonging to the white race with the blood of millions dripping from their hands that it goes far beyond any prejudice or resentment. We must fill ourselves with hate for all white things. This is not vengeance or trying to "take the white oppressor's place to become new black oppressors but is a oneness with a worldwide black brotherhood.

We must gain respect for the lost religion of our fathers, the spirits of the black earth of Africa. The white man has so poisoned our minds that if a Brother told you he practiced Voodoo you would roll around on the floor laughing at how stupid and superstitious he was.

We have to learn to roll around on the floor laughing at the black man who says he worships the white Jesus. He is truly sick.

We must create our own language for these things that the white man will not understand because a Black Culture exists and it is not the word-carriage or naive dancing it is the black strength inside of true men.

IDEAS ON PLANNING FOR THE FUTURE OF BLACK POWER

We must utilize all government agencies. This will not be hard because black clerks work in all agencies in poor paying jobs and have a natural resentment of the white men who run these jobs.

People must be assigned to seek out these disaffected black men and women and put pressure on them to give us the information we need. Any man in overall, carrying a tool box, can enter a building if the looks like he knows what he is doing.

Modern America depends on many complex systems such as electricity, water, gas, sewerage and transportation and all are vulnerable. Much of the government is run by computers that must operate in air conditioning. Cut off the air conditioning and they cease function.

We must begin to investigate and learn all of these things so that we can use them if it becomes necessary. We cannot train for army in the local parts but we can be ready for the final confrontation with the white man's system.

Remember our Brothers in South Africa and do not delude yourselves that it could not happen here. We must copy the white man's biggest trick, diversion. Offer taught them that and infiltrate all civil rights groups, keep them in confusion so they will be neutralized and cannot be used as a

tool of the white power structure.

The civil rights, integrationist movement says to the white man, "If you please, Sir, let us, the 10 percent minority of American have our rights. See how nice and reasonable we are!"

This is why SNCC calls itself a Human Rights Organization. We believe that we belong to the 50 percent majority of the people in such that the 10 percent minority of American have our rights. See how nice and reasonable we are!

This is why SNCC calls itself a Human Rights Organization. We believe that we belong to the 50 percent majority of the people in such that the 10 percent minority of American have our rights. See how nice and reasonable we are!

HOW TO DEAL WITH BLACK TRAITORS

Uncle Tom is too kind of a word. What we have are black traitors, quislings, collaborators, sell-outs, white Negroes.

We have to expose these people for once and for all for what they are and place them on the side of the oppressor where they belong. Their black skin is a lie and their guilt the shame of all black men. We must ostracize them and if necessary exterminate them.

We must stop fighting a "fair game." We must do whatever is necessary to win BLACK POWER. We have to take and destroy and black mail and lie and steal and become black-brothers like the Mao-Men.

We must eliminate or render ineffective all traitors. We must make them fear to stand up like puppets for the white men, and we must make the world understand that these so-called men do not represent us or even belong to the same black race because they sold out their Negrohood for a mass of white society's notions. Let them choke on it.

PITFALLS TO AVOID ON THE PATH TO BLACK POWER

We must learn how close America and Russia are politically. The biggest lie in the world is the cold war. Money runs the world and it is controlled completely by the white man.

We Russia and America run the two biggest money systems in the world and they intend to keep it under their control under any circumstances. Thus, we cannot expect any help from Communism or any other "ism."

We must seek out poor peoples movements in South America, Africa and Asia and make our alliances with them. We must not be fooled into thinking that there is a ready-made doctrine that will solve all our problems.

There are only white man's doctrines and they will never work for us. We have to work out our own systems and doctrines and cultures.

WHY PROPAGANDA IS OUR MOST IMPORTANT TOOL

The one thing that the white man's system cannot stand is the TRUTH because his system is all based on lies.

There is no such thing as "justice" for a black man in America. The white man controls everything that is said in every book, newspaper, magazine, TV and radio broadcast.

Even the textbooks used in the schools and the bible that is read in the churches are designed to maintain the system for the white man. Each and every one of us is forced to listen to the white man's propaganda every day of our lives.

The political system, economic system, military system, educational system, religious system and anything else you name is used to preserve the status quo of white America getting fatter and fatter while the black man gets more and more hurt.

We must spend our time telling our Brothers the truth.

We must tell them that any black woman who wears a diamond on her finger is wearing the blood of her Brothers and Sisters in slavery in South Africa while one out of every three black babies die before the age of one, from starvation, to make the white man rich.

We must stop wearing the symbols of slavery on our fingers.

We must stop going to other countries to exterminate our Brothers and Sisters for the white man's greed.

We must ask our Brothers which side they are on.

Once you know the truth for yourself in 10 four duty to dedicate your life to recruiting your Brothers and to control the white man's propaganda.

We must disrupt the white man's system to create our own. We must publish newspapers and get radio news. Black Unity is strength — let's use it now to get BLACK POWER.

Poverty Funds for NIGGER RIFLE SIGHTS!

It seems impossible for the American people to be SHOCKED at ANYTHING any more!

Millions of Americans already know they are paying a fantastic tax bill to provide swarms of Negro women with a warformal living for producing little black BASTARDS on "de welfare!"

But they keep electing the demagogues who promote this suicidal insanity.

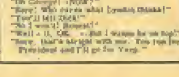

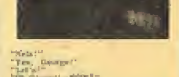

Now, however, we learn that LBJ's billion-dollar nigger hatchery in Washington, D.C., is using your tax money to provide the illegitimate spawn of this subsidized immorality with telescopic GUN-SIGHTS for high-powered rifles with which to KILL US!

Last week in Congress, Representative Bush exposed the staggering FACT that the Office of Economic Opportunity (The "Poverty" Program) was buying sniper's telescopic gun-sights for the Negroes in the Poverty Program in the city of Houston, Texas.

When Bush first asked the Washington Office of the "Poverty" outfit about the purchase of sniper's gun-sights for high-powered rifles, the OEO at first claimed the charge was "a hoax".

When courageous Congressman Bush produced the SIGNED requisitions for the gun-sights, OK'd by Washington, the OEO quickly "explained" that they were going to "convert" the gunsights into "microscopes!"

Since the OEO is so all-fired enthusiastic about converting 4 inch rifle sights into tiny microscopes, we are offering them our conversion kit for installing Hoover Dam at the OEO building as a drinking fountain.

LET ME SHOW YOU HOW WE CAN SMASH NIGGER POWER! NIGGERS OPERATE AS A NATIONAL GANG: WE NEED A NATIONAL WHITE 'GANG'!

George Lincoln Rockwell

RETURNING Black GJ.s Threaten U.S.!

An article in the Washington AFRO-AMERICAN, reproduced photographically on this page, boasts that every year between 15,000 and 25,000 nigger soldiers are being mustered out of the Armed Forces after combat duty in Vietnam.

We have long warned of the danger of permitting these Blacks to gain possession and knowledge of modern and heavy American weapons.

BLACKS TURN!

More and more disloyal and disaffected Negroes are turning on America with passionate and murderous hatred. Can you imagine the bloody horror of what will happen when a Watts or a Detroit begins to spread into the White sections of your city; the National Guard is called in with its heavy weapons and tanks to protect the White neighborhoods--only to have Black officers and non-coms turn those tanks and heavy weapons against the White people--against YOU!

Post

Panel on Rioting Urges Increase of Negroes in Guard

In the face of this obvious danger, our rotten, sold-out "leaders" are now ordering a vast increase in the number of Negroes in the National Guard!

In the name of sanity, how can it help stop the riots by putting more of the rioter type in the National Guard?

'GET BLACKY!'

BACK TO AFRICA!

An organized swarm of mosquitoes can KILL the biggest and toughest guy in the world. An organized pack of piranha fish can turn a tiger into bare bones in three minutes flat.

And an organized pack of miserable, half-ape Africans can bring a White community to its knees if the Whites are DISORGANIZED.

WHITES DISORGANIZED

And the Whites in America ARE disorganized. They have local neighborhood organizations and gangs, but most of them fight each other.

They have no NATIONAL WHITE ORGANIZATION to be able to compete with such enormous, black giant organizations as the NAACP or the killer mobs of Rat Brown and Stokely Carmichael.

Sheets Don't Scare Jigs

Here and there, the Klan gets together, in fields out in the dark, burns a cross and sings a hymn or two. Sometimes they make a "good nigger" out of some smoke.

But cooing one or two of these hell-raising black bums just encourages the rest of the scum to raise even more hell.

And marching around in modern city in bed-sheet has an opposite effect from what it used to have a hundred years ago when niggers were fresh out of the African jungle and were scared by the sheets.

A bunch of guys in sheets trying to scare the niggers in Detroit, Chicago or Los Angeles would last about one minute, if the niggers didn't die laughing, first.

KLAN OK IN 1870's

The Klan was just what was needed with the niggers of a hundred years ago.

But the bed-sheet bit and making an "example" out of a nigger or two while burning a cross and singing a hymn is like putting on a diving helmet with horns and going after Al Capone and his chopper-equipped boys with a big sword.

Whites get no respect in Court or the White House because we DON'T BACK EACH OTHER UP.

ALL FOR ONE

Nobody messes with a guy who is a member of a rough gang, because he knows all the rest of the boys will mob him.

Politicians Fear UNITY

NO POLITICIAN IN AMERICA WILL DARE MESS WITH ANY WHITE MAN IF HE KNOWS ALL THE REST OF US WILL RUN HIM OUT OF OFFICE IN DISGRACE!

WE NEED A 'GANG'

What we need is a huge, WHITE, POLITICAL GANG!

Only Strength Respected

White people are the majority in America, and have the legal right to run the country. But we are kicked around in our own country by an organized GANG of Blacks and Jews who own and control all our politicians.

These sold-out politicians will NEVER change by anything we can SAY.

These yellow cowards are impressed with only ONE thing and that is STRENGTH.

Blacks Stick Together!

And White people have no STRENGTH. Politicians know they can shoot us down one by one and we never stick up for each other. They know that if they TOUCH a nigger, the whole damn nigger mob will turn the town inside out.

It is a sad fact that we are under attack by a monstrous, brutal GANG.

We Don't Stick Together

They are beating the hell out of us because THEY STICK TOGETHER, and WE DON'T! We've got to quit trying to save ourselves from a monstrous NATIONAL MOB with

neighborhood associations and out-dated regional organizations which keep us WEAK.

'WHITE GANG'

We need a savage, mean and vicious NATIONAL GANG of WHITE MEN, operating on a political basis, just like a swarm of deadly PIRANHAS!

DON'T TOUCH!

Let any ONE of us be so much as TOUCHED, and all the rest of us must go after the attacker until he is a political SKELETON.

SECRET?

We can't afford any of the "secret" kind of defense which lets the enemy think we are afraid of him and his mob.

The HELL with them!

WE CAN DO IT!

Last summer in Chicago, I proved I know how to organize and lead the NATIONAL "GANG" we need to WIN!

I led thousands of brave White Men right through the heart of Black Chicago. The scum ever made a move, nor was there any riot.

But we lacked one vital element to drive on to total victory in Chicago.

NEED A VOICE!

We had NO VOICE! I had no way to REACH the millions of good White People in the area, and the regular papers lied so much that a great star was busted up before it had a chance.

Right now, in Detroit, in Chicago, in Los Angeles and in dozens of other cities there are MILLIONS of White-Men, red hot to march and fight!

But each one feels alone and isolated with only a few brave personal friends.

MILLION OF US

To get together and organize a tough, White National "GANG" which can whip the stuffings out of the African gangs and their political allies, we've got to COMMUNICATE!

If each White Man who is ready to do something, besides talk will do JUST ONE THING we can put together more than a MILLION of us RIGHT NOW!

WE'VE DONE THIS MUCH

That one thing is to give the White Man back his voice!

A few of us have gambled all we have to bring you this first issue of a first-class, FIGHTING VOICE for White People, so we can GET TOGETHER, and FIGHT!

IT'S UP TO YOU!

I ask you to gamble just two bucks for a year's subscription to "WHITE POWER!"

(Continued from page 1)

The sold-out politicians, still lusting after the Black bloc vote, are making endless excuses for these vicious Blacks and their riots.

Over and over they use "poverty" as the main excuse for the riots. The facts show that it is the lazy, incompetent Negroes who won't work, or who are too stupid to work, who produce the poverty.

The facts show that it's not the slums which produce these criminals who call each other "niggers", but the "niggers" who produce the slums.

The facts show that it's not the lack of jobs which makes these Black savages rape, burn, rob, loot and kill. The scum will not take available jobs, because they can live free on "de welfare".

The facts show that it's not bad schools which produce these criminal gangs of Black terrorists. Rather it's the criminal gang of Black savages who make bad schools.

The facts show that it's not lack of "rights" which produces the riots. There are NO riots where Blacks have the least rights, as in Mississippi. And the worst riots are where the Blacks have the most rights.

The facts show that it is not bad housing which produces these criminal Black mobs. It's the criminal Blacks who produce bad housing by their animalistic conduct—ripping brand-new projects apart, urinating in elevators, selling the fixtures to buy wine, etc.

The facts show that it's not lack of welfare payments which causes the riots. In fact, it is actually the welfare payments which have PRODUCED the rioters themselves, by taking White tax money and paying Negro mothers to produce little Black bastards as a vast commercial industry.

The cause of the riots screams itself at anybody with common sense... **the low, ANIMAL-NATURE of the Blacks!**

New Program of the American Nazi Party

Vast mobs of savage African Black men terrorize our women and children on our city streets and in our schools.

Even bigger mobs of African Blacks attack our cities with guns and fire-bombs. They have destroyed vast areas of whole cities, looted tens of thousands of stores, shot our police and firemen, and now threaten us with all-out "guerrilla" warfare. They openly get their support and direction from Communist Cuba, only 90 miles from Florida.

They proclaim their open intention of smashing the U.S. Government and establishing a Communist government under their hammer and sickle red flag.

Almost every American can now see that these arrogant communists and African savages are close to their goal. The very same political

prostitutes and demagogues who have CAUSED this intolerable betrayal of the great White, Christian majority of Americans are now blaming each other as "Republicans" and "Democrats".

The truth is that both of these decaying "parties" are completely sold out to another minority, the Jews, who have the cash to buy whatever votes and politicians they need.

For Jewish gold and for black votes, every last one of the politicians and officials in office now, or likely to be elected, have sold out the majority of the people, the White people, who built this great America.

We are taxed a hundred times more cruelly than our Forefathers, who fought a bloody revolution rather than submit to such oppression.

Greedy politicians have shipped our national wealth of gold out of the Country and

L.B.J.: "Just pray, Uncle, and the black poison will taste great!"

flooded America with worthless slugs and paper money for which we can get nothing but more worthless paper.

We work two or three of the days of each week to support a monstrous bureaucracy and to support millions of Negroes who won't work but go on breeding endless millions more Black "welfare" creeps. We ship arms and weapons to our communist enemies, and do nothing about the millions of vicious, heavily armed criminals our courts keep turning loose.

The criminals, madmen and fools running America have made it a crime to pray in a school, but not to pass around to the kids papers and magazines extolling homosexuality and smut in the name of "literature" and "art".

Our youth are taught to do their best to dance like Africans, talk like doped-up Negro be-boppers, worship Negro "music", Negro performers and trash like queers and the degenerate "hippies".

And, in the ultimate attack upon our national strength of character, our youth are being taught that it is "in" to take dope, smoke pot, LSD,

No "third party" of any of the same old "liberal" or "conservative" POLITICIANS, no matter what they promise, can unite and inspire our discouraged people to rise up and destroy the enemy among us.

NO MAN WHO DOES NOT HAVE THE GUTS TO NAME THESE JEWS AND NEGROES AS THE SOURCE OF OUR NATIONAL AGONY CAN DO WHAT NOW MUST BE DONE!

Only a brand new, revolutionary party, led by a new generation of young leaders who are fighters rather than politicians, can have the idealism and heroism to lead White America back to sanity and survival.

Only a "spiritual explosion", bursting from the living heart of the people themselves, can now give us any hope of survival and victory!

Only a national, spiritual REMIRTH and a revival of our PRIDE AND HONOR as WHITE AMERICANS can now help.

Only a WHITE REVOLUTION, aimed at WHITE POWER, can restore America to her rightful owners, the White Christian people who built this great Nation, and exterminate the swarms of SCUM who have brought America to the edge of final catastrophe!

A small group of Americans who have had enough of "conservative" and "liberal", "Republican" and "Democrat" politics—as usual have banded together as did our oppressed Forefathers in 1776, to restore to our people the just and honorable government bequeathed to us, and to remove from power and to punish all traitors who have joined with our deadly enemies to destroy this great America.

We have called ourselves the "NATIONAL SOCIALIST WHITE PEOPLES' PARTY", or, as more commonly known the "American Nazi Party".

Although our entire program is set forth at length and is available upon request, we have herewith printed a short form of what we stand for, so that our fellow Americans can judge for themselves what we are and what we intend to do.

The TEN POINTS of American NATIONAL SOCIALISM

1. AMERICA MUST BE ALL-WHITE! BLACKS MUST BE DEPORTED!
2. JEWS DOMINATION OF OUR CULTURE, FINANCIAL AND NATIONAL AFFAIRS MUST BE SMASHED.
3. COMMUNISM, ZIONISM AND ALL OTHER FORMS OF TREASON MUST BE EXTERMINATED.
4. THE RIGHTS OF A MAN'S HOME, HIS FAMILY, AND PRIVATE PROPERTY MUST BE HELD SACRED.
5. THE RIGHT OF LAW-ABIDING WHITE PEOPLE TO KEEP AND BEAR ARMS AT ALL TIMES AND ALL PLACES SHALL NOT BE INFRINGED.
6. CRIME AND RIOTS IN THE STREETS WILL BE SMASHED BY THE JUST AND IMMEDIATE USE OF POWER.
7. WE WILL FIGHT WARS ONLY FOR AMERICA, AND THEN WE WILL FIGHT TO TOTAL AND IMMEDIATE VICTORY, USING ALL AVAILABLE WEAPONS.
8. PRODUCTIVE FREE ENTERPRISE, LARGE AND SMALL BUSINESS, AND NEIGHBORHOOD STORES MUST BE ENCOURAGED AND PROTECTED.
9. EVERY PRODUCTIVE, WORKING AMERICAN MUST HAVE A DECENT JOB, LIFE-TIME ECONOMIC SECURITY AND WHOLESOME LIVING CONDITIONS FOR HIMSELF AND HIS FAMILY.
10. YOUTH, OUR FUTURE LEADERS, MUST HAVE UNLIMITED EDUCATIONAL OPPORTUNITIES AND HELP IN SETTING UP FAMILY-LIFE.

Anti-Riot Bill A TRAP AIMED AT WHITES!

Once again the conservatives have attacked us more viciously than the more direct enemy of our race and republic—the Jews and Negroes.

Conservative Representative Cramer of Florida has introduced a bill which he astily calls the "Anti-riot bill".

The House has already passed this bill in the hysterical pretence it will have something to do with controlling riots and the Senate will probably pass this monstrousity before this reaches your hands.

(Make no mistake, we are 100% for any law which would REALLY control and PUNISH rioters and inciters to riot. But, as usual—just as the Protocols of the Elders of Zion predict—most people, including legislators, accept empty names for the real thing.)

The so-called "Anti-riot bill" cannot and will not stop, or even hinder, even the tiniest riot. A careful reading of this vicious piece of "conservative" legislation, reveals

that it puts in the hands of the Federal Justice Department a brutal weapon with which they can smash all opposition to race-mixing and the Jews.

This bill defines a "riot" as "any disturbance by three or more people!" (If you and an American Legionnaire saw a Communist burning an American flag and you tried to stop him, this bill makes your actions a "RIOT".)

But the really evil part of the bill is the one word they have slipped over on the public with hardly a single mention in the press: "hate!"

Kosher Conservative Representative Cramer's "anti-riot bill" makes it a serious felony, punishable by five years in the penitentiary and a \$10,000 fine by:

- (1) Use any interstate facility including the mail or the telephone;
- (2) "encourage" somebody else—perhaps thousands of miles away—to
- (3) "aid, encourage or assist"
- (4) a third party to "incite, aid or encourage" the "CARRYING ON" of a "riot"

or "civil disturbance".

A little careful thinking will show that, under this law, every single, solitary last opponent of almost anything being done by what Buckley calls "The Establishment" (Jews, Negroes, liberals and demagogic politicians) can be prosecuted and sent to prison for years!

If that sounds like an exaggeration, consider:

Let's say some nice, "nigger-loving" Jew—worshipping kosher conservative opposes the bussing of his children into a Negro ghetto (strictly because he believes in "neighborhood schools", of course. Of course!)

Our nice, kosher conservative friend writes a letter to his friend X suggesting that something be done to stop the bussing of his children into a Black ghetto school. Unknown to the letter-writer, X is a friend of an American Nazi Party officer (or other White activist) and telephones that officer suggesting a picket of the school board against bussing White kids into Black ghettos.

The local Nazi leader then organizes and starts a peaceful picket of the school board against the bussing. The Negroes swarm out and attack the picketers by force and violence (the usual occurrence) so that there is a "civil disturbance" or "riot".

CONSERVATIVE SUICIDE

Under these circumstances, the nice kosher conservative can be completed and sent to prison for five years!

And if one of the pickets or Negro attackers were killed in the "disturbance" (provoked by the Negroes), he can be sent to prison FOR LIFE!

That is no wild exaggeration.

Those are the exact provisions of this dastardly, reasonable, vicious, kosher conservative bill which can and will be used by the Justice Department to give Castro and Mao Tse Tung use their firing squads.

Do you think the Justice Department will use this law to go after Martin Luther King? A. Phillip Randolph? Whitney Young? Lyndon Johnson? Hubert Humphrey? HELL NO!

Even when in possession of sworn testimony that Martin Luther King was involved in a criminal interstate car stealing ring, the Justice Department refused to prosecute this Nobel Prize winning car thief because "The Negroes would riot!"

Already, instead of prosecuting the real criminals, they are prosecuting and jailing Robert Shelton of the Ku Klux Klan, Robert DePugh of the Minutemen, George Lincoln Rockwell of the American Nazi Party and all the brave White people all over the country who have dared oppose Black, Red and Jewish attacks, such as in Cicero. Presenting this bill to the Justice Department is like loading the guns for your own firing squad.

And, as usual, this suicide and insanity is not the work of Jews, Communists or Negroes, but of the same kind of damned fool, short-sighted, kosher conservatives who have spent 50 years kissing Jewish fannies while the Jews have been kicking conservative bottoms.

If the bill passes, which is expected (thanks to endorsement by conservatives from Wallace to Liberty Lobby), the riots won't stop, but all effective opposition to the riots will.

God save us from kosher conservatives!

Nazis are always accused of being prejudiced against colored men whom everybody knows have contributed so much to Western Civilization.

To prove Nazis are NOT "prejudiced" against the clever colored people, Commander Rockwell has spent several years collecting outstanding examples of magnificent colored accomplishments.

The Party has just published an 18-page booklet containing these great colored accomplishments, entitled "Great Achievements of the Negro Race".

Hand one of Commander Rockwell's booklets to your favorite colored citizen and you will have more fun than Heinrich Himmler at a rabbi's convention.

NAZIS SMASH RED PARADE! Captain Forbes Leads Smashing Attack on Jews Carrying VIET CONG RED BANNERS!

On Sunday, August 6, the communists and their "peace-creep" allies held a giant red parade in Los Angeles, supposedly to protest the war in Viet Nam, but actually to give aid and comfort to the enemy Captain Ralph Forbes, the Los Angeles leader of the American Nazi Party, led forty

of our Stormtroopers in an attack on the communists carrying enemy, Viet Cong flags and signs advocating victory for the enemy soldiers who are killing young Americans.

Forbes saw a heavy truck in the parade, festooned with enemy red flags and filled up with red guards, mostly Negroes and red Jews.

Smashing past the surprised reds marching all around the commie truck, Capt. Forbes jerked open the door of the enemy truck and arrogantly demanded the keys!

The flabbergasted Jew-driver almost turned them over before a mob of other red scum attacked Forbes from the rear and were about to kick

his head in, when the second squad of Nazis charged in and sent the reds and creeps flying onto the hard pavement.

Simultaneously, Big Mike Brown, San Francisco Motorcycle leader leaped into the back of the flat-bed and began tossing the assorted Jews and mongrels over the side.

With that, the fight began --but not before all the rest of our lads piled in, fists swinging.

The red troops poured over the side of the truck like roaches trying to escape poison spray. The whole parade of thousands of red creeps was hustled all to hell.

White Capt. Forbes and his crew were taking care of the red truck, First Lieutenant Mike Brown, San Francisco leader, and some of his boys were cleaning up on a swarm of Jews who attacked one of our lads who was down.

The police rushed in and arrested our guys, which saved the red scum, or so they thought!

What they didn't know was that we had a third surprise for them.

SUPRISE REDS!

As soon as the reds were sure the Nazis were all hauled off, they hoisted up their rotten, red treason rags on their trucks, re-loaded up with wild Mau Mau niggers armed with clubs and added Doberman Pinscher war-dogs to man off any more Nazi attacks.

Waiting in the crowd was a young hero, Bart W., just in case of such a red move.

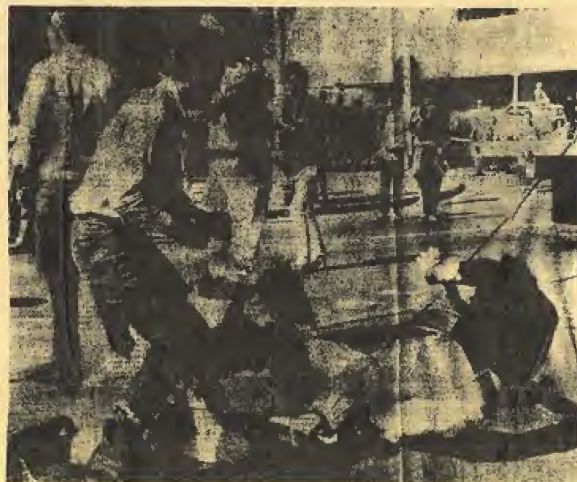

Bart charged through the red mob, fists flailing, leaped into the truck-full of Mau-Maus and war-dogs, seized their filthy Commie flag, beat the teeth out of one African--and got clean away with the enemy flag which now hangs in our Trophy Room at LA HQ.

FLAG-BURNERS

We believe in upholding law and order, just as did the Founding Fathers of this great America. But we don't believe any American should stand by like a worm when arrogant red traitors carry enemy flags in our streets or burn American flags. We believe that any nation which tolerates such insults to its fighting men won't last, and doesn't deserve to last, either.

We invite all Americans with red blood still flowing in their veins to join us in kicking the teeth out of the next mob of traitors who burn our American flag or carry enemy Communist flags in our city-streets. And if they want to throw us in jail for putting a stop to such TREASON, then it is a good thing to go to jail!

What cowardly politicians haven't got the guts to do, the people must and WILL do!

BARRY BACKS JIGS!

water. Nothing you could say could convince these people trying to make a Jew President that Barry was a BUM!!

But now Goldwasser has come right out with it and let even the DUMBEST in on the game. Rather than just TELL it, which people wouldn't believe, here's the clipping:

Conservatives: 'Black Power' Constructive

WASHINGTON, Aug. 14 — Barry Goldwater's (R) Free Society Association believes that "black power" could become a constructive political force under responsible Negro leadership.

Americans are inveterate optimists. They keep believing they can find the pea under the walnut shell, no matter how many times they get taken by political crooks!

Old timers will remember how White folks went ape over Orville Faubus in Arkansas when he appeared to be trying to keep the niggers out of Little Rock Schools.

Then, when it was all over, Orville kissed and made up with Nigger Daisy Bates who led the NAACP.

Next came good old "Ia" Eisenhower. Lots of Whites who should have known better consoled themselves that he was the "loser of two evils".

Then along came another shell-game operator, and it was pretty funny to see a lot of "anti-semites" working to install the first Jewish president of the USA, Barry Gold-

ABOVE: Big Mike Brown gets ready for another go at Jew he just decked for waving an enemy, Viet Cong rag in Los Angeles "peace" (treason) parade. Another Stormtrooper, "Muskrat", has just been kicked by commie goons out of the picture at left. Moments later, ALL the reds took off!

SMASH the BLACK REVOLUTION NOW!

FAMOUS Nigger Hero RETURNS!

The civil rights mob has a convenient way of "forgetting" the later careers of its "heroes", once they have performed their "great deed" for their mongrel "ideals".

Remember poor, sweet, innocent Mrs. Viola Liuzzo, the "white" civil rights crumb who was shot during the communist, race-mixing hell in Selma two years ago?

And remember the baby-faced black chimp who was in the car with her when some patriots apparently mistook him for a one-point buck and tried to bag him on with "00"? His name was LeRoy Moton.

LeRoy and all his fellow "non-violent" niggers have at last shown their true colors: RED!

While LBJ and all our great leaders were telling us how lovable and "non-violent" the civil rights apes were, and blasting away at the mean old Ku Klux Klan, LeRoy Moton was gathering his gasoline and wicks and practicing his terrorist techniques.

CADENT RED MANDER

On Saturday, August 12, lovable, non-violent LeRoy and a crew of his "non-violent" black buddies were caught red-handed setting the Kenev Market and Kenev Park Restaurant on fire in Hartford, Conn. The damage was almost a quarter of a million dollars.

LET'S SAVE \$\$\$\$

The twists of fate are often bizarre.

Had the patriots in Selma not missed LeRoy, it would have saved a quarter of a million bucks. Just imagine how many BILLIONS we could save if we had more patriots!

Rockwell Says:

White Man, Get Ready!

For Self-Defense Against The Black Revolution

Continued from page 1

Into the White neighborhood. Every year the riots get bigger and hit more cities.

What is going to happen when there are too many cities under attack at the same time for the available forces to protect the Whites?

What is going to happen when too much of the Army is spread all over the world, in crazy wars like Viet Nam, in which they won't let us win so we don't have enough Army to keep order here at home?

Worst of all, what is going to happen when the blacks in the National Guard and the Army turn our own heavy weapons on US - the WHITES?

In the face of all this, the chicken politicians, led by the pro-Zionist Thomas Dodd, who was one of the prosecutors at Nuremberg, are pushing "gun laws" to DISARM THE WHITE PEOPLE!!

Disloyal Jews and Hollering blacks know that when the White Man finally gets all the black hell, communism, race-mixing and minority tyranny he is going to take, he will rise up in his wrath and strike down the scum.

The Negro minority now controls the politicians who kiss black bottoms for black votes.

The Jewish minority controls both the Negroes and the politicians with the power of their MONEY.

But when the White Man gets good and mad, neither the gold of the Jews nor the votes

of the black scum will stop the rampaging White majority in its righteous wrath.

Gold and votes can't stop the violence and guns of White Men fighting tyranny, as King George III found out.

An armed population of White Men can never be enslaved by African Negroes or bow-legged Jewish money-manipulators.

Sooner or later the White working men rise up against the Jewish money tyrants and use force to re-establish their rights as free men.

So Dodd has been working feverishly behind the scenes to DISARM White Men, while the Communists, criminals and black guerrillas have all the guns and weapons they will need to smash us.

The American Nazi Party favors direct action as much as possible, but in this case, we urge every White Man to fire off a letter to his Congressmen and Senators demanding the defeat of Dodd's vicious bill to disarm White People.

But writing Congress is not enough to protect you and your loved ones when the Africans attack and overwhelm YOUR police and YOUR National Guard.

You must be ready and able to do as your forefathers did in repelling and slaughtering the red savages.

For that, you need GUNS! GET 'EM!

Know how to USE 'EM!!

BACK ON WHITE COPS

As this goes to press, the city of Detroit has just announced it is going to prosecute a young White policeman for MURDER because they do not like his particular style of shooting some wild, hell-raising black animal who was in on the murderous Detroit riots!

People are always asking us, "WHAT CAN WE DO?"

Well, here's your answer! If and when they try that White cop for defending us against those burning, looting, murdering black beasts who tore up Detroit, I most strongly recommend every White man and woman make almost every sacrifice to FILL UP that Courtroom!

The black scum gets its way time and again because the authorities are afraid the blacks will get mad and raise hell if they don't get what they arrogantly demand.

If anything happens to that cop, LET 'EM KNOW YOU DON'T LIKE IT!

I'll be there personally.

COMMANDER'S NEW BOOK OUT!

Since 1960, there has been a steady rise in demand for some sort of American "Mein Kampf", a book which would explain how Hitler's "National Socialist" movement was actually the White Man's world-wide defense against the rise of the vast, inferior swarms of colored men, led by the international, Communist, Zionist, Marxist Jewish conspiracy, which aims at world domination.

In his sensational new book, "WHITE POWER", Commander Rockwell has provided White Men everywhere with a workable, inspiring plan for doing on a world-wide basis, what Adolf Hitler did for Germany!

Contents of WHITE POWER

1. **DEATH RATTLE:** Shocking, disgusting, even pornographic examples of the rot in the soul of America.

2. **SPIRITUAL SYMPHIES:** The disgusting and brainwashing of American youth.

3. **THE CHART FORGERS:** An eye-opening exposure of the lies being told Americans on the subjects of communism, race, money and politics.

6. **THE CROOKS:** A startling expose of the documented fact that the communist wreckers are led by atheist JEWS.

7. **FRIENDS OF THE CAPTAIN:** Parasitic Jewish money manipulators by Zionists posing as "Capitalists". Includes expose of the Talmud and other Jewish secrets.

8. **FRIENDS OF THE CREW:** How Jews conquer huge populations by dividing them against each other with Marxist CLASS WARFARE.

9. **THE FACTS OF RACE:** A clear presentation of the fact that man, like all other animals, differs by groups called "breed", and that only the WHITE breed of humans have produced and can maintain Western Civilization.

10. **THE BLACK PLAGUE:** A terrifying, scientific presentation

of the biological explosion of colored people which is about to overwhelm the tiny minority of White humanity.

11. **NIGHTMARE:** A hideous, accurate and dramatic word picture of the actual sequence of events to the capture of America and the subjugation of the White Race by Jews leading endless swarms of blacks and yellow communists.

12. **FIFTY YEARS OF FAILURE:** An analysis of the reasons for the steady and disastrous retreat of the reactionary "right" before the aggressive, terroristic Jewish left.

13. **NATURAL ORDER:** Analysis of the natural laws of all group living, and how the Jewish "brotherhood" and "one-world" lies have destroyed all the cohesive forces of White society and smashed us into a million selfish, atomistic individuals and interest groups who are destroying each other and the whole group. Hitler's discovery of National Socialism as the spiritual cure for exploding Western Society.

14. **WHITE REVOLUTION!** A call to ALL White Men of the world to unite under the Swastika banner of the White RACE to stop the suicidal war between us and stand together at last to re-establish White rule and order on the planet.

15. **WHITE POWER!** Action, strategic and tactical plans for cleaning up America of all treason and race-degeneracy. The application of Hitler's already proven methods of winning legal political power to restore the just power of government to the White majority.
